Transformational Justice in Action

Friday, April 24, 2020

2:00 to 3:30 p.m. CT (3:00 p.m. ET/12:00 p.m. PT)

Our efforts to reduce the number of people held in our jails, prisons, and detention centers—especially the populations most vulnerable to the spread of the coronavirus—are making a difference; however, we need our decision-makers to act more aggressively and rapidly to reduce the numbers of those incarcerated. Join us as we plan our next steps to secure their release!

Our action planning breakouts on Friday will focus on the following areas for decarceration:

- Youth detentions
- Pre-trial detentions
- Revocation detentions
- Immigrant detentions

In addition, we will host a breakout for leaders interested in building EXPO groups in their local communities.
